ASSOCIATIONS - STATE

FLORIDA

Floridians find out it's time to drop that 'nice guy' image, by Rebecca A. Carlton, Jan. 2, p. 26.

INDIANA

Getting on with the business of doing business, by Jan Drummond, June 26, p. 44.

IOWA

Iowa plans to leave Mid-America meeting, by Rebecca Carlton May 22, p. 13.

MICHIGAN

Establish consumer safeguards, Heins urges MITA group, by Karen Calmeyer, May 29, p. 11; MITA convention focuses on new technology breakthroughs, by Karen Calmeyer, June 12, p. 42.

MINNESOTA

Telco group hears USITA president rap intercity proposal, Mar. 20, p. 20; Manage well, give good service and communicate, telcos told, by Janice Drummond, April 3, p. 54.

Robert Bunke, first vp of USITA and exec vp of Ace Telephone Assn., Houston, Minn., and Ed Tiemann, exec vp of the Minnesota Telephone Assn., shake hands at the Dallas Showcase after looking over plans for the 1979 Midwestern Telephone Showcase, to be held in Minneapolis, Feb. 6-8, (photo), June 5, p. 13.

OHIO

Ohioans hear competition hit; look to marketing for help by Janice Drummond, May 29, p. 52.

OKLAHOMA

Change your ways and compete: Bigley, by Leo Anderson, May 8, p. 32.

OREGON

Officials of the Canby Tel. Assn. sign a $1.1 million contract, (photo), Feb. 6, p. 15.

SOUTH CAROLINA

Hollings expresses hope for coordinated nat'l telecom policy, May 1, p. 15.

TEXAS

Change your ways and compete: Bigley, by Leo Anderson, May 8, p. 32.

WISCONSIN

Farris advocates reorientation of industry thinking, by Rebecca Carlton, June 5, p. 13; Wisconsinites learn to live in today's competitive era, by Rebecca Carlton, June 19, p. 78.

ASSOCIATIONS-OTHER

AMERICAN MANAGEMENT ASSN. (AMA)

AMA course examines how to handle consumer complaints Jan. 16, p. 25.

ARMED FORCES COMMUNICATIONS & ELECTRONICS ASSN. (AFCEA)

AFCEA convention scheduled for June, April 24, p. 11.

ASSN. OF COLLEGE AND UNIVERSITY TELECOMMUNICATIONS ADMINISTRATORS (ACUTA)

ACUTA plans 7th annual meeting, June 26, p. 13.

BUILDING INDUSTRY CONSULTING SERVICE (BICS)

BICS to hold int'l communication meeting, Feb. 13, p. 12; BICS meeting lays foundations for better construction planning, Mar. 6, p. 40; BICS conference to be held in June, May 22, p. 16.

COMMUNICATIONS MAMAGER'S ASSN. (CMA)

Recent CMA workshop features electronic telephone systems, May 15, p. 28.

COMPUTER AND BUSINESS EQUIPMENT MANUFACTURERS ASSN. (CBEMA)

Inaugural meeting of int'l. standards committee draws over 50 delegates, April 24, p. 19.

ELECTRONIC INDUSTRIES ASSN. (EIA)

Makuch to head EIA fiber optics group, May 29, p. 23.

FOCIS

The trade assn. for producers/users of fiber optics.

Fiber optics meeting in Bostom 1st of its kind, June 19, p. 13.

INDEPENDENT TELEPHONE PIONEER ASSN. (ITPA)

ITPA members meet in Vegas to recap what's done and plan for what's ahead, by Ray Blain, Jan. 2, p. 23.

INSTITUTE FOR GRAPHIC COMMUNICATION (IGC)

IGC plans two telecom conferences for May, April 24, p. 21.

INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS (IEEE)

NTC '77 reveals acceleration of technical sophistication, Jan. 16, p. 76; Hawaii to host first Pacific telecom confab, May 15, p. 88; ISDN 78 slated for September, May 29, p. 82.

INTERNATIONAL COMMUNICATIONS ASSN. (ICA)

Communications. . .information. . .competition. . .regulation, by Del Meyers, June 5, p. 64.

INTERNATIONAL DEVELOPMENT ASSN. (IDA)

IDA helps finance Egypt telecom project, May 15, p. 83.

INTERNATIONAL TELECOMMUNICATIONS SATELLITE ORGANIZATION (INTELSAT)

INTELSAT contracts to provide tracking control of satellites, April 24, p. 125; INTELSAT launches final LV-A satellite, May 15, p. 83; INTELSAT membership climbs to 102 countries, May 22, p. 18; INTELSAT awards research contracts, June 5, p. 104; Study covers advantages of INTELSAT ransponders, June 19, p. 23.

NATIONAL CABLE TELEVISION ASSN. (NCTA)

NCTA names Hughes chairman, Mar. 13, p. 12.

NATIONAL MICROGRAPHICS ASSN. (NMA)

Micrographic conference scheduled for May, Mar. 20, p. 13.

NATIONAL TELEPHONE COOPERATIVE ASSN. (NTCA)

Henson to speak at NTCA annual confab, Jan. 9, p. 17; Van Deerlin knocks telco plan for joint facilities ownership, Feb. 27, p. 11; Co-ops urged to determine the future of their systems, Mar. 13, p. 40.

ORGANIZATION FOR THE PROTECTION AND ADVANCEMENT OF SMALL TELEPHONE COMPANIES (OPASTCO)

High level leaders clash at small telco meeting, Feb. 20, p. 40.

PETRULEUM INDUSTRY ELECTRICAL ASSN'S (PIEA)

PIEA to hold annual conference in Houston, Mar. 6, p. 54.

SOCIETY OF TELECOMMUNICATIONS CONSULTANTS (STC)

STC annual meeting scheduled for May, April 10, p. 31.

TELECOMMUNICATIONS MARKETING SALES ASSN. (TMSA)

New telecom marketing association being formed, Jan. 9, p. 93.

BELL SYSTEM

AT&T files with Chief Justice in continuing Execunet battle, May 22, p. 13.

AT&T 1st quarter earnings best in company's history, by Rebecca Carlton, May 1, p. 11.

AT&T puts in new interstate system, June 5, p. 104.

AT&T ready to build new headquarters, April 17, p. 11.

AT&T reports its net income climbed 18.7% during 1977, Feb. 13, p. 9.

AT&T's Dataspeed 40/4 service supported by appeals court, Feb. 20, p. 11.

AT&T's 1st quarter earnings up 24%, April 3, p. 13.

AT&T-USITA meeting examines SPC network feature implementation, Jan. 23, p. 11.

American Bell Int'l. doubles revenue in '77, April 10, p. 26.

Appeals court slaps down FCC and AT&T on Execunet links, April 24, p. 11.

Bell study examines communications costs of securities firms, Jan. 16, p. 24.

The cable vault goes modern, by Fred W. Kruczek and Carl R. Cascio, April 10, p. 40.

Caring makes the difference, by PNB Oregon Area News/Employe Information Public Relations Staff (Nell Conley, Sally Fitch, Judy Messner, Dale Osborn and Patti Shreck), Feb. 6, p. 46.

City and suburbs - BID takes it all in, April 24, p. 84.

City of Cleveland sues Ohio Bell in bid to stop Yellow Pages distribution, May 15, p. 30.

Controlling telco traffic - the two-legged variety, June 5, p. 70.

DeButts named as one who made 1977 advertising news, Jan 30, p. 26.

Denver police recover $10,000 in wire stolen from Mountain Bell, Jan. 9, p. 82.

John Eger tells AT&T how to save itself from itself, Jan. 16, p. 78.

FCC backs New Jersey Bell in RCC inter-connect complaint, Mar. 20, p. 13.

General DataComm wins AT&T contract for modems, May 29, p. 85.

House subcommittee asked to mull AT&T antitrust questions, Jan. 16, p. 17.

Icy destruction over the Easter weekend left Illinois Bell with a big clean-up problem, (photo), April 24, p. 11.

Illinois Bell is opening six new retail outlets, (photo), Jan. 2, p. 12.

Illinois Bell's 1978 construction budget largest ever planned, Jan. 9, p. 17.

Improving the No. 4 ESS, Jan. 23, p. 24.

In Chicago 24 hair-thin lightguides, arranged in two ribbons enclosed in the specially designed cable, carry Bell Systems customers' voices, video and data traffic as part of a test of the world's first lightwave communications system, (photo), June 12, p. 9.

Interchange 78 program brings supplies and Bell system together, Jan. 9, p. 92.

It was so cold. . ., Feb. 13, p. 21.

Jackhammer ready, Western Electric's Hawthorne Works General Manager Virgal Schad presides at groundbreaking ceremonies for the major modernization of the Works' metals mill in Chicago, (photo), April 24, p. 24.

Michigan Bell honored as nation's handicapped employer of the year June 12, p. 20.

Mountain Bell compacts files, costs of microfilming records, Mar. 27, p. 58.

Mountain Bell opens centers to assist the deaf, April 24, p. 129.

Mountain Bell provides service to massive moveable grandstand, June 19, p. 62.

Neither snow nor sleet. . .,Feb. 13, p. 20.

Nevada Bell finds open wire trouble and sends it winging, Feb. 6, p. 64.

New electroplating system cuts waste and saves energy, June 5, p. 104.

New turns liven proceedings in AT&T antitrust challenge, by Victor Block, April 10, p. 15.

Numberger to retire as exec vp at AT&T, April 3, p. 20.

PT&T delays debenture offering pending IRS ruling on tax status May 15, p. 30.

Pacific Tel sets up Los Angeles office to serve handicapped, Feb. 6, p. 80.

Processing more words better - for less, by W. H. McElroy, June 26, p. 32.

RCA implements Bell electronic switching system, June 12, p. 20.

Ruberg is president of Western Electric international unit, Jan. 30, p. 56.

Senate panel comes down on AT&T links with other firms, by Victor Block, May 8, p. 9.

Shown here is an architect's rendering of the new AT&T headquarters tower scheduled for completion in early 1982, (photo), May 8, p. 9.

South Central Bell tallies best growth for Bell in 1977, April 17, p. 18.

Technology of the '80s, June 12, p. 28.

A telephone era ends. After 58 years of service, the Bell System's last manually operated switchboard located on Santa Catalina Island in the Pacific was replaced with a computerized electronic switching system, (photo), June 26, p. 13.

Tymshare, Telco Research to market WATS computer program to Bell System, May 8, p. 13.

U.S. telephone industry leaders take up the challenge of life in a new environment, Jan. 9, p. 38.

Van Deerlin backs divestiture of Western Electric from Bell, by Victor Block, June 5, p. 13.

Western Electric retires 50-year-old switchboard, April 17, p. 42.

Xerox is first to use Bell System's advanced communications network Jan. 30, p. 28.

CANADA

BELL CANADA

Bell Canada asks $171 million hike for second half of 1978, Feb. 13, p. 14.

Bell Canada Intl. chosen to restore service in Lebanon, Jan. 30, p. 53.

Bell Canada raps labor legislation, April 3, p. 26.

A lesson in security, by Helen Hardin, June 26, p. 36.

Montreal site of Canada's first fiber optics systems, Jan. 16, p. 20.

ALBERTA

Harris to provide fiber optics system for Canadian telco, May 15,

p. 26.
The perfect communications system for 'a tall buidling lying on its side', by Peter de Vos, May 15, p. 64.

BRITISH COLUMBIA
B.C. Tel ends strike, 10,000 return to work, Mar. 6, p. 53.

NEW BRUNSWICK
New Brunswick Tel reduces rates by $6.1 million; lower tax costs cited, Mar. 6, p. 28.

SASKATCHEWAN
Artist's drawing of Saskatchewan Telecommunications' new head office building in downtown Regina, (photo), May 15, p. 28.

OTHER
Canada Wire forms new fiber optics company, Jan. 2, p. 11.
Canadian association sums up the year in telecommunications, Feb. 6, p. 81
Competition and cooperation: the Canadian experience in data communications, Mar. 20, p. 84.
Employees at Northern Telecom Canada's digital switching division, Brampton, Ont., participate in a ceremony marking the completion and shipment of the first DMS-200 (digital multiplex system) switch, (photo), May 22, p. 14.
General Telephone & Electronics Corp., Stamford, Conn., has won a $15 million contract from Hydro Quebec to provide a microwave radio system to serve its hydroelectric facility, (photo), March 20, p. 68.
Heenan is named president of TCSC, Jan. 16, p. 17.
No. Telecom Canada Ltd. buys cable-making gear, Mar. 6, p. 54.
Northern Telecom Canada wins bid to install digital radio system, April 24, p. 132.
TCTS asks $17 million increase for Canadian long distance rates, April 17, p. 16.
The Yukon is the site of a new Northern Telecom SP-1 electronic switching control center, (photo), Jan. 2, p. 11.

COURTS, COMMISSIONS-STATE

ALASKA
OTHER: RCA Alascom sues Alaska pipeline firm for lost construction revenues, Mar. 27, p. 77.

ARIZONA
Mountain States Tel. & Tel. Co.: Arizona court upsets $5 million rate hike granted Mountain Bell, Mar. 13, p. 20.

ARKANSAS
Continental Telephone Co.: Arkansas high court backs Continental Tel in battle over $1.5 million rate bid, Mar. 27, p. 77.

EDUCATION AND TRAINING

AFCEA convention scheduled for June, April 24, p. 11.

AMA course examines how to handle consumer complaints, Jan. 16, p. 25.

Appalachian short course scheduled for May 16-18, March 27, p. 22.

Arthur D. Little executive forum scheduled for April, March 27, p. 22.

Bell study examines communications costs of securities firms, Jan. 16, p. 24.

Conference program set for CORROSION/79, June 26, p. 24.

Corrosion conference issues call for papers, May 1, p. 47.

DATA 78 slated for Toronto in April, Mar. 6, p. 52.

Data communications course scheduled at George Washington U, May 8, p. 14.

Data communications standards conference scheduled for June, April 17, p. 42.

Digital telephony course offered by UCLA Extension, Feb. 6, p. 82.

Equipment registration course slated for May, May 1, p. 14.

Ex-FCC chairman to keynote Datacomm, Feb. 13, p. 13.

Federal Computer Conference scheduled for Washington, April 17, p. 42.

Five-day seminar to cover battery design, engineering, April 3, p. 22.

Frost & Sullivan to sponsor conference on security market, May 1, p. 47.

George Washington Univ. offers 4-day seminar on gear registration, Mar. 6, p. 53.

Getting a grip on the future of the telecommunications industry, by Dave Page, May 1, p. 22.

Golden Gate University offers evening seminars in telecom management, Jan. 2, p. 12.

Hawaii to host first Pacific telecom confab, May 15, p. 88.

High technology - and beyond, by Del Myers, June 26, p. 42.

IGC plans two telecom conferences for May, April 24, p. 21.

ISDN 78 slated for September, May 29, p. 82.

ISS '79 slated for May in Paris, May 15, p. 83.

ISSLS examines potential of an all-digital loop plant, by Del Myers, May 15, p. 148.

ISSLS 78 to include 53 technical papers, Feb. 6, p. 80.

INTELEC issues call for papers, April 10, p. 28.

Intensive one-day course to cover digital telephony, Mar. 13, p. 12.

International communications: challenge and change, by Del Myers, May 15, p. 112.

Int'l. executive forum explores challenges of world communications, by Del Myers, April 24, p. 21.

Int'l. Wire & Cable Symposium issues call for papers, April 3, p. 22.

Iowa State hosts annual regulatory conference, Mar. 13, p. 12.

A lesson in security, by Helen Hardin, June 26, p. 36.

MIC to sponsor three management seminars, April 10, p. 31.

Microcomputer technology symposium planned for June, April 17, p. 42.

National Relay conference scheduled for April 24-26, April 17, p. 40.

New monthly newsletter details use of computers in the telephone industry, April 17, p. 40.

New USITA committee plans marketing seminars, June 12, p. 9.

Recent CMA workshop features electronic telephone systems, May 15, p. 28.

Seminar covers satellite earth station installation, May 15, p. 28.

Seminar on digital and switching technology scheduled for March, Jan. 30, p. 26.

Seminar teaches basics of telephone marketing, Jan. 16, p. 24.

Subscriber loop symposium draws over 600 to Atlanta, April 10, p. 15.

Telephone Caravan show begins May 1, Mar. 20, p. 18.

Telephony sponsors series of seminars with IGI division, Feb. 20, p. 11.

A training program with something for everyone, by Terri Seiwert, April 10, p. 50.

Two day conference to focus on IBM, April 3, p. 16.

USITA datacomm conference slated for August in Iowa, April 24, p. 125.

USITA management program set for June, May 8, p. 9.

USITA-sponsored seminar to teach how to sell overseas, May 15, p. 28.

USITA tariffic course open for registration, June 19, p. 13.

U of Wisconsin offers cassette course on digital electronics, Mar. 27, p. 13.

Utility location symposium set for June in Los Angeles, Mar. 13, p. 11.

Wharton course to cover financial management, June 12, p. 10.

FEDERAL COMMUNICATIONS COMMISSION

Appeals court slaps down FCC and AT&T on Execunet links, April 24, p. 11.

Coping with coping, Feb. 20, p. 33.

ETI offers reporting service on the FCC, April 24, p. 11.

Ex-FCC chairman to keynote Datacomm, Feb. 13, p. 13.

FCC backs New Jersey Bell in RCC interconnect complaint, Mar. 20, p. 13.

FCC has 'lost control' of Execunet case, by Leo Anderson, May 1, p. 14.

FCC now is forum for telecom policy debate, White says, April 17, p. 11.

FCC resolves differences over COMSAT'S int'l. rate structure, Feb. 27, p. 11.

FCC supports tariff banning alteration of telco equipment, Mar. 6, p. 15.

Ferris continues to defend FCC's pro-competitive policies, by Victor Block, May 29, p. 11.

Ferris stands by FCC decision rejecting transatlantic cable, by Leo Anderson, Jan. 30, p. 53.

Top man at the FCC, Feb. 20, p. 25.

USITA issues summary of FCC regulations on customer-owned gear, Jan. 23, p. 13.

What the FCC did, did not do to TAT-7, Mar. 20, p. 76.

FINANCING

Allied Telephone Co., Little Rock, Ark., plans to offer 275,000 new common shares in a public sale, June 5, p. 99.

Bell Canada has sold $175 million (Canadian) in convertible preferred shares, May 1, p. 46.

Bell Canada plans to sell up to $175 million of new convertible preferred stock, April 3, p. 77.

Bell Canada will issue $200 million of debentures in the U.S., Jan 23, p. 15.

Blue Valley Telephone Co., Inc. Home, Kan., has been granted a $483,000 loan by the Rural Electrification Administration, June 12, p. 16.

British Columbia Telephone Co. plans to offer up to 5 million shares of common stock during June, May 29, p. 30.

Carolina Telephone & Telegraph Co., Tarboro, N.C., a subsidiary of United Telecommunications, Inc., plans a public offering of $35 million of debentures, due 2008, April 24, p. 124.

Central Telephone Co. authorized to sell $35 million of first mortgage and collateral lien sinking fund bonds, Jan. 16, p. 110.

Chesapeake & Potomac Telephone Co. of Maryland plans a competitive sale of up to $125 million of new 40-year debentures about October 6, June 12, p. 16.

Concord (N.C.) Telephone Co. has been authorized by the North Carolina Utilities Commission to declare a common-voting capital stock dividend, April 24, p. 124.

Dakota Central Rural Telephone Cooperative Assn., Carrington, N.D. has been authorized by the Rural Electrification Administration to borrow $1,076,000, June 12, p. 16.

Daviess-Martin County Rural Telephone Corp., Montgomery, Ind., has been approved for a $625,000 REA loan, Jan. 30, p. 20.

Deuel Telephone Cooperative Assn., Clear Lake, S.D., has been authorized to borrow $974,000 from the Rural Electrification Administration, June 12, p. 16.

Diamond State Telephone Co. will offer $10 million of debt securities about July 6, June 5, p. 99.

Fairmount (Ga.) Telephone Co., Inc., has been authorized by the Georgia Public Service Commission to borrow $776,000 from the Rural Electrification Administration, May 1, p. 46.

General Telephone Co. of the Midwest, Grinnell, Iowa, a subsidiary of General Telephone & Electronics Corp., plans to raise $18 million through private placement of preference stock, April 3, p. 77.

The Georgia Public Service Commission has authorized Planters Rural Telephone Coop., Inc. to borrow $1,134,000 from the Rural Electric and Tel. Revolving Fund, Mar. 6, p. 30.

Hartland & St. Albans Tel. Co., Hartland, Me., authorized to borrow from REA, Jan. 23, p. 15.

The Hemingford (Neb.) Cooperative Telephone Co. has been granted a $200,000 loan by the Rural Electrification Administration, May 8, p. 39.

Illinois Bell Telephone Co. has sold $150 million of 8½% notes to the Saudi Arabian Monetary Authority, June 12, p. 16.

Mid-Rivers Telephone Cooperative, Circle, Mont., will borrow $1,989,000 from REA, Jan. 30, p. 20.

Mountain States Telephone & Telegraph Co. has accepted a bid of 98.322 for the purchase of $225 million of the 40-year debentures, May 8, p. 39.

Mountain States Telephone & Telegraph Co. will sell up to $225 million of debt securities about March 28, 1978, Jan. 16, p. 110.

New Jersey Bell Telephone Co. has sold $100 million of 8¾% debentures, June 19, p. 25.

New York Telephone Co. plans to sell up to $150 million of debt securities on or about June 20, April 17, p. 44.

The outlook for telephone expansion financing. . ., by Benjamin H. Barnett Jr., May 15, p. 122.

Pacific Northwest Bell Telephone Co. plans to sell up to $150 million of 40-year debentures, May 8, p. 39.

Pacific Telephone & Telegraph accepted bid for purchase of $300 million of 4-year debentures, Jan. 30, p. 20.
Pacific Telephone & Telegraph Co. plans to auction up to $300 million of 40-year debentures, Mar. 20, p. 24.
Southern New England Telephone Co. will redeem on March 1 at maturity, its 30-year bonds issued March 1, 1948, Feb. 13, p. 15.
Southwestern Bell Telephone Co. plans to offer up to $300 million of debt securities on August 23, June 12, p. 16.
Southwestern Bell Telephone Co. plans to sell up to $300 million of debt securities on or about August 23, April 17, p. 44.
Standard Telephone Co., Cornelia, Ga., has been authorized to borrow $10,013,850 from the Rural Telephone Bank, Feb. 13, p. 15.
Telenet Corp. plans a public offering of 400,000 common shares, the company announced, June 5, p. 99.
Telephone and Data Systems, Inc., Chicago, Ill. has completed placement and drawdown of funds on $5 million parent company senior notes, due 2003, Feb. 27, p. 20.
Telephone & Data Systems, Inc. Chicago, Ill., completed placement of funds on $5 million notes, due 2003, Jan. 30, p. 20.
Waverly Hall (Ga.) Telephone Co. has been authorized by the Georgia Public Service Commission to borrow $513,000 from the Rural Electrification Administration, June 12, p. 16.

Eurospace conference to be held in Italy, May 15, p. 88.
Italtel girds itself to hit export market in a big way, by Leo Anderson, May 15, p. 83.
Italy launches its first test satellite, Jan. 30, p. 60.

JAPAN
Digital transmission service introduced between U.S., Japan, Mar. 20, p. 68.
ITT Worldcom to provide message switching center for Japanese corporation, Feb. 6, p. 82.
Japan launches experimental TV broadcast satellite, May 15, p. 92.
Largest PABX in Japan installed by Fujitsu, Jan. 30, p. 54.
New digital facsimile service inaugurated between U.S. and Japan, May 15, p. 96.

KENYA
Nairobi telecom confab slated for January '79, April 10, p.15.

LEBANON
Bell Canada Int'l. chosen to restore service in Lebanon, Jan. 30, p. 53.

LIBYA
British Post Office wins Libya consultancy contract, May 15, p. 91.
Libya consulting contract awarded to TEI Consulting, Jan. 2, p. 11.

MEXICO
Mexico gov't buys last Independent in the country, Jan. 30, p. 53.

MOZAMBIQUE
RF Systems to provide antennas for Mozambique, May 15, p. 100.

NETHERLANDS ANTILLES
Big improvements for a little island, Mar. 20, p. 108.

NIGERIA
GTE unit to expand two Nigerian earth stations, Jan. 2, p. 12.
GTE wins bid to expand Nigerian earth station, May 15, p. 96.
GTE wins bid to improve Nigeria's communications, May 8, p. 14.
NTC wins Nigerian consulting contract, Jan. 30, p. 69.
STC wins $39 million order to install cable in Nigeria, Mar. 20, p. 68.

NORWAY
Computer system to provide improved service to Norway, Mar. 20, p. 66.

OMAN
Ericsson wins $9 million telecom order from Oman, Mar. 20, p. 49.

PUERTO RICO
GTE Lenkurt PCM gear to be part of digital system in Puerto Rico, Mar. 20, p. 60.
GTE to install digital system in Puerto Rico, Jan. 16, p. 17.
Mitel opens Puerto Rico manufacturing facility, Jan. 16, p. 26.
TRW Vidar digital system cut over in Puerto Rico, June 12, p. 10.

SAUDI ARABIA
Cable & Wireless wins Saudi contract, May 1, p. 47.
COMSAT General wins ARABSAT consulting services contract, March 27, p. 26.
INTELSAT satellite to serve Saudi, Zaire, Mar. 20, p. 52.
Saudi Cable Co. completes new plant, May 15, p. 91.
The Saudi sytle of telecommunications, by Rebecca A. Carlton, Jan. 30, p. 71.
W&G Instruments set to supply test gear for use in Saudi Arabia, Mar. 20, p. 70.

SINGAPORE
Singapore seminar digs into network planning, Mar. 20, p. 116.

SWEDEN
Marketing, Swedish style, Mar. 20, p. 90.

SWITZERLAND
United Computing, Swiss company link data networks, Mar. 27, p. 22.

TRINIDAD & TOBAGO
GTE Lenkurt wins contract to supply microwave gear for Trinidad and Tobago, May 15, p. 100.

URUGUAY
GTE wins bid to expand communications system in Uruguay resort area, May 15, p. 91.

USSR
Ericsson to supply telex for 1980 Moscow Olympics, Jan. 2, p. 11.
Telettra begins deliveries of microwave gear to USSR, Jan. 30, p. 64.

ZAIRE
INTELSAT satellite to serve Saudi, Zaire, Mar. 20, p. 52.

OTHER
By land, sea and air - the importance of mobile communications, May 15, p. 146.
Computer print-outs on exhibitors available at Communications 78, Feb. 6, p. 82.
Digital dominates communications 78, by Del Myers, May 15, p. 154.

Participation in the ITU; a two-way street, Jan. 30, p. 82.
Product safety standards in Europe - 16 interpretations, by Robert D. Wersen, May 15, p. 157.
Ruberg is president of Western Electric international unit, Jan. 30, p. 56.
Seninar to cover foreign market entry strategies, Feb. 6, p. 82.
Singapore seminar digs into network planning, Mar. 20, p. 116.
Southeast Asia telecom conference draws 600 attendees, Jan. 30, p. 54.
TAT-7 rejection spurs transatlantic policy debate, Mar. 20, p. 73.
TDF '78 to focus on effects of data protection laws, Mar. 20, p. 52.
Tanenbaum to keynote ISSLS 78 in Atlanta, Mar.20, p. 49.
Typhoon-proof telecommunications, by Joseph Tobin, May 15, p. 132.
U.S., British telecom consultants join forces, Mar. 20, p. 58.
U.S. can dial direct to 11 more overseas locations, Mar. 20, p. 66.
World Bank-financed projects documented in new publication, Jan. 30, p. 64.
World telecom spending sampler, Mar. 20, p. 112.
World telephone spending in '78 expected to reach $29 billion by Dan S. Fargo, Jan. 9, p. 39.

LEGISLATION
Communications Act rewrite unveiled by House panel by Victor Block, June 19, p. 13.
The legislative perspective, by Victor Block, Jan. 9, p. 51.
1934 Act rewrite reactions: 'some good news, some bad', by Victor Block, June 26, p. 13.

LETTERS
Jan. 9, p. 13; Jan. 16, p. 12; Jan. 23, p. 9; Feb. 6, p. 11; Mar. 6, p. 13; April 3, p. 10; April 10, p. 13; May 15, p. 10; June 5, p. 11.

MANAGEMENT
AMA course examines how to handle consumer complaints, Jan 16, p. 25.
Automation can reduce business spending says industry consultant, Feb. 20, p. 16.
Be a better manager - by managing less, by Ted Pollock, June 5, p. 72.
Being a better manager one step at a time, by Ted Pollock, Feb. 6, p. 57.
Beyone the bottom line, by Robert K. Mueller, May 1, p. 27.
Decisions for digital, by Robert A. Kelly, April 3, p. 44.
MIC to sponsor three management seminars, April 10, p. 31.
Managing your senior workers, by Ted Pollock, May 15, p. 72.
Minding your management manners, by Ted Pollock, April 10, p. 96.
Refine the art of thinking, by Ted Pollock, June 19, p. 80.
Strictly personal, Mar. 20, p. 42.
USITA management development program to convene in June, Mar. 20, p. 13.
USITA management program set for June, May 8, p. 9.
Wharton course to cover financial management, June 12, p. 10.

MANUFACTURERS
AT&T and IBM: the battle continues, by Howard Anderson, April 10, p. 78.
Agreement signed to develop energy management systems, Mar. 6, p. 54.
Anaconda revamps telecom operations, May 29, p. 82.
Aromat completes expansion at midwest sales office, June 12, p. 20.
Bagpipes celebrated the cutover of 6,000-line Northern Telecom SP-1 electronic switching system for Mid-michigan Telephone Corp., Lambertville, a subsidiary of Mid-Continent Telephone Corp., Hudson, Ohio, (photo), June 12, p. 16.
Frances Barnes, president of Chickamauga (Ga.) Telephone Corp., signs a contract for a 4200-line Stromberg-Carlson System CENTURY digital central office, (photo), April 10, p. 26.
Bell Northern Research, Electronics in the home, Mar. 13, p. 33.
Buckeye Telephone & Supply Co.'s Vice President of Sales, Richard Eberline, presides over the recent customer service seminar held at the company's offices in Columbus, Ohio, (photo), April 24, p. 130.
Cable & Wireless awards contract to Comtech Labs, Mar. 20, p. 18.
Cable & Wireless wins Saudi contract, May 1, p. 47.
CalComp forms new subsidiary to lease computer systems, May 8, p. 15.
Calculagraph to supply call accounting gear to ITT-CS, Jan. 23, p. 11.
City and suburbs - BID takes it all in, April 24, p. 84.
Comtech Laboratories announces name change, Jan. 9, p. 82.
Corning drops price of optical waveguides, April 24, p. 24.
Corning to supply optical waveguides to Canadian firm, Mar. 20, p. 18.
Cushman Electronics to relocate to San Jose, June 19, p. 109.
Digital Equipment broadens charter of telco products group, May 1, p. 15.
Display of central office structural components by Newton Instrument Co. Inc., Durham, N.C. was part of an exposition sponsored by the Druham Chamber of Commerce, (photo), April 24, p. 19.
R.H. Donnelley to publish Winter Park Tel directory, Feb. 13, p. 13.
Dynatech Data Systems opens new facility, April 17, p. 42.
L. M. Ericsson to provide gear for Colombian capital, Feb. 6, p. 81.
Ericsson to supply telex for 1980 Moscow Olympics, Jan. 2, p. 11.
Ericsson wins orders from Europe, Africa, Mar. 13, p. 55.
Fairchild, Thomson-CSF agree on cross-licensing, May 15, p. 91.
Ford Aerospace, Henkels & McCoy win Iran contract, April 3, p. 16.
Friedenbach resigns Farinon presidency, June 19, p. 13.
GTE Automatic Electric aiming for 20% of the interconnect market, Mar. 13, p. 12.
GTE Automatic Electric, Northlake, Il., has won the bid to provide three No. 2 EAX's to the Great Southwest

Telephone Corp., Grandview, Tex., April 3, p. 14.
GTE Automatic Electric wins NASA contract for Kennedy Space Center, Mar. 6, p. 52.
GTE division awarded U.S. Air Force contract, June 19, p. 109.
GTE to improve capacity of earth station in Chile, April 24, p. 21.
GTE to install digital systems in Puerto Rico, Jan. 16, p. 17.
GTE to supply fiber optics system for national defense, April 24, p. 125.
GTE unit wins Air Force maintenance contract, May 8, p. 15.
GTE wins bid to expand communications system in Uruguay resort area, May 15, p. 91.
GTE wins bid to expand Nigerian earth station, May 15, p. 96.
General Cable sells power cable operations, Feb. 20, p. 16.
General DataComm wins AT&T contract for modems, May 29, p. 85.
General Dynamics to acquire American Telecommunications, April 17, p. 11.
The Giddings Co. moves to new office, warehouse, Mar. 27, p. 26.
Gnostic Concepts offers fiber optics forecasting service, May 15, p. 24.
Graduates of Stromberg-Carlson's first digital central office training school, Sanford, Fla., received their diplomas from Roland Seidel, instructor, (photo), April 3, p. 13.
Harris to provide fiber optics system for Canadian telco, May 15, p. 26.
William O. Houman, (1), New England division manager for Continental Telephone System, receives a plaque from Herbert L. Hughes, vp-sales for Northern Telecom, Inc., (photo), Mar. 27, p. 13.
IBM's telecom strategy, by Howard Anderson, April 3, p. 34.
ITT Argentine unit wins Entel contract, Feb. 13, p. 13.
ITT completes purchase of four divisions of North Electric Co., Jan. 23, p. 11.
ITT looks forward to good year ahead, April 10, p. 15.
ITT restructures corporate offices, Feb. 27, p. 90.
ITT Worldcom to provide message switching center for Japanese corporation, Feb. 6, p. 82.
Interchange 78 program brings supplies and Bell System together, Jan. 9, p. 92.
Largest PABX in Japan installed by Fujitsu, Jan. 30, p. 54.
Lavallee named head of newly formed company, Mar. 13, p. 12.
Leasametric opens new inventory center, Jan. 16, p. 17.
Libya consulting contract awarded to TEI Consulting, Jan. 2, p. 11.
A look at the Model 1-A, Jan. 16, p. 44.
Loomis to retire as president of Gen Tel Directory, June 5, p. 13.
Makuch to head EIA fiber optics group, May 29, p. 23.
Midwest Tel to install two Stromberg-Carlson systems, May 8, p. 14.
Miller is named Marketing exec of ITT North, Feb. 13, p. 9.
3M sales for fourth quarter top $1 billion, Feb. 6, p. 79.
Mitel opens midwest regional sales office, Jan. 16, p. 24.
Mitel ope.... Pureto Rico manufacturing facility, Jan. 16, p.26.
Moore systems relocates headquarters to San Jose, Jan. 16, p. 26.
Muller, ex Stromberg president, joins ITT in telecom plans role, May 22, p. 13.
NEC America consolidates southeastern region offices, May 29, p. 85.
NEC America division relocates to Dallas, June 12, p. 20.
NEC to supply optical system for Disney World, May 15, p. 24.
New milestone in submarine cable monitoring system, Mar. 20, p. 100.
New phone service offers instant commodities info, May 8, p. 13.
North Supply elects officers, directors, Jan. 23, p. 13.
Northern Telecom Canada wins bid to install digital radio system, April 24, p. 132.
Northern Telecom digital system accepted by REA, June 26, p. 29.
Northern Telecom Ltd. completes Sycor acquisition, June 12, p. 10.
Northern Telecom, Ltd. earnings figures, Feb. 6, p. 79.
Northern Telcom Ltd. to acquire Sycor, Inc., Jan. 16, p. 17.
No. Telecom system installed in Florida, April 24, p. 126.
Officials of the Canby (Ore.) Telephone Assn. sign a $1.1 million contract for a 3700-line Stromberg-Carlson System (photo), Feb. 6, p. 15.
O.K. Machine & Tool forms new subsidiary, May 8, p. 9.
Pennril Corp., earnings figures, Feb. 6, p. 79.
Penril Technipower unit relocates offices in Conn., May 22, p. 16.
Pitroda of Wescom to participate in Brazilian program, Jan. 30, p. 62.
Placing the first call over Continental Telephone Co. of Virginia's new DMS-10 digital switching system at Wakefield is Jessica Moore, Wakefield councilwoman, (photo), April 17, p. 11.
Plantronics buys maker of electromic test equipment, April 3, p. 15.
Plantronics, Inc. earnings figures, Feb. 6, p. 79.
President of Lynch Communications Systems, Reno, Nev., E.F. Dertinger (left) and Stan F. Fisher, president of North Supply Co., a subsidiary of United Telecommunications, Inc., Lenexa, Kan., after signing a marketing agreement, (photo), May 29, p. 11.
The president of Mid-Continent Telephone Corp., Weldon W. Case (r), places the dedication call for the new Northern Telecom SP-1 electronic switching system, (photo), April 10, p. 15.
Quantrad relocates to larger quarters, April 24, p. 129.
RCA Americom to supply data service for NASA, Feb. 6, p. 80.
RCA Corp. earnings figures, Feb. 6, p. 80.
RCA implements Bell electronic switching system, June 12, p. 20.
Racal Electronics to acquire Vadic, April 24, p. 21.
Rapifax and Dacom merge to form Rapicom, April 17, p. 18.
Raytheon expands into the minicomputer market, Feb. 27, p. 24.
Report forecasts IBM expansion into telecommunications, Feb. 27, p. 24.
Rockwell-Collins opens Chicago, Atlanta offices, Mar. 6, p. 53.
Roseville (Cal.) Telephone Co. recently cut over a No. 2 EAX manufactured by GTE Automatic Electric (photo), June 19, p. 23.
STC organizes new telecom subsidiary, April 3, p. 13.
Satellite Business System, Business Communications--in orbit by '80, in service, '81, Feb. 27, p. 60.
Siemens, Advanced Micro Devices set up joint enterprise, Jan. 16, p. 26.
Siemens to improve Hong Kong's network, Jan. 30, p. 53.
Stromberg-Carlson's digital CO system: is REA approved Feb. 20, p. 11.
Stromberg-Carlson introduces new digital switch, April 24, p. 126.
Stromberg-Carlson names Jenny chief, May 15, p. 15.
TRW Vidar digital radio wins FCC type acceptance, April 3, p. 22.
TRW Vidar digital system cut over in Puerto Rico, June 12, p. 10.
TTI receives patent on switched access systems, June 26, p. 29.
Tampa reportedly site for Stromberg-Carlson move, Jan. 23, p. 11.
This microwave communications equipment being built by Raytheon Data Systems Co., Norwood, Mass., under an $11 million contract, will carry telephone conversations from one side of Cairo, Egypt, to the other, (photo), May 1, p. 14.
Thomson-CSF develops new multifiber cable, Mar. 13, p. 55.
Two-day conference to focus on IBM, April 3, p. 16.
Two Northern Telecom plants to manufacture new cable, Jan. 23, p. 13.
Tymshare, Telco Research to market WATS computer program to Bell System, May 8, p. 13.
United Computing, Swiss company link data networks, March 27, p. 22.
Valtec acquisition of Comm/Scope approved, Jan. 23, p. 11.
Wescom forms int'l marketing company, April 3, p. 19.
Winner of the Elgin Electronic Corp.'s $2500 charity drawing at the USITA convention was B.J. Washburn, photo, Jan. 2, p. 19.
The Yukon is the site of a new Northern Telecom SP-1 electronic switching control center, (photo), Jan. 2, p. 11.

MARKETING

Competition - a blessing in disguise, by Donald L. Lemke, June 5, p. 46.
Getting inside house magazines, by Howard Bersted, April 24, p. 92.
If you've been keeping your residential customers satisfied... by Howard Bersted, May 29, p. 60.
It won't come easy: how to get good press coverage, Feb. 27, p. 64, by Howard Bersted.
Marketing survey critical of telco marketing practices, Jan. 2, p. 12.
Marketing, Swedish style, Mar. 20, p. 90.
A montage of change: a look at life in modern telephony, Mar. 27, p. 62, by Howard Bersted.
Retail outlet uses WATS to market phones, Mar. 6, p. 15.
Seminar teaches basics of telephone marketing, Jan. 16, p. 24.
Space-age promotion helps telco sell time/temperature service, Jan. 16, p. 42.
Study examines future equipment market for specialized carriers, May 1, p. 14.
Telephones go retail, by Del Myers, Feb. 6, p. 31.
Turning troubles into triumphs: Marketers' hidden opportunities, by Howard Bersted, Jan. 30, p. 48.
Wescom forms int'l marketing company, April 3, p. 19.
What you should know about competition and tariffs, by Paul D. Knowles, June 5, p. 50.
Winter Park Tel's strategy for the age of competition, by Wayne F. Freeman, April 24, p. 35.

MEETINGS

Jan. 2, p. 8; Jan. 9, p. 8; Jan. 16, p. 8; Jan. 23, p. 8; Jan. 30, p. 8; Feb. 6, p. 8; Feb. 13, p. 8; Feb. 20, p. 6; Feb. 27, p. 8; Mar. 6, p. 8; Mar. 13, p. 8,; Mar. 20, p. 8; Mar. 27, p. 8; April 3, p. 8; April 10, p. 8; April 17, p. 8; April 24, p. 8; May 1, p. 8; May 8 p. 8; May 15, p. 6; May 22, p. 8; May 29, p. 8; June 5, p. 8; June 12, p. 8; June 19, p. 8; June 26, p. 8.

INTERNATIONAL

Jan. 30, p. 66; Mar. 20, p. 64, May 15, p. 98.

MERITS AND MILESTONES

Jan 16, p. 130; Jan. 30, p. 114; Feb. 20, p. 82; Mar. 13, p. 82; April 3, p. 90;, April 24, p. 154; May 15, p. 206; June 5, p. 132; June 26, p. 74.

MICROWAVE

Rockwell supplies Michigan's first digital microwave, Jan.2, p. 12.
Telettra begins deliveries of microwave gear to USSR, Jan. 30, p. 64.
This microwave communications equipment being built by Raytheon Data Systems Co., Norwood, Mass., under an $11 million contract, will carry telephone conversations from one side of Cairo, Egypt, to the other, (photo), May 1, p. 14.

MOVING AROUND INDUSTRY

Jan. 2, p. 47; Jan. 9, p. 85; Jan. 16, p. 113; Jan. 23, p. 38; Jan. 30, p. 94; Feb. 6, p. 85; Feb. 13, p. 42; Feb. 20, p. 59;
Feb. 27, p. 92; Mar. 6, p. 57; Mar. 13, p. 56; Mar. 20, p. 125; Mar. 27, p. 73; April 3, p. 66; April 10, p. 122; April 17, p. 44; April 24, p. 134, May 1, p. 45; May 8, p. 40; May 15, p. 190; May 22, p. 35, May 29, p. 77; June 5, p. 110; June 12, p. 22; June 19, p. 112; June 26, p. 57.

NEW BOOKS

Jan. 2, p. 45, Jan. 16, p. 110; Jan. 30, p. 92; Feb. 6, p. 77; Feb. 27, p. 82; April 3, p. 64; April 10, p. 116; April 24, p. 118; June 26, p. 59.

NEW REPRESENTATIVES

Jan. 2, p. 16; Jan. 16, p. 26; Mar. 13, p. 55; April 3, p. 22; May 22, p. 18.

OBITUARIES

Clark, former president of Southwestern Bell, dies, April 3, p. 22.
John Brown Cook of Reliable dies at 70, April 24, p. 11.
Cleo Craig, retired AT&T chairman, dies at age 85, June 26, p. 29.
William Dillon, founder of Dillon & Co., dies at 99, April 24, p. 132.
Gleaton, Plant Telephone founder, dies at age 64, May 15, p. 30.
John Hickey, Reytheon engineering manager, dies, April 24, p. 132.
Kruse, 82, retired exec of Illinois Bell, dies, Mar. 6, p. 58.
Roy Miller, Mid-Continent manager, dead at age 58, Mar. 6, p. 58.
Parslow, WE operations director, dies at 58, April 3, p. 22.
Stamp, former president of WSTA, dies at age 80, April 3, p. 22.
Vaughn, electronic switching pioneer, dies at age 66, March 27, p. 26.

OPTICAL COMMUNICATIONS

Australia holds field trial of fiber optics, Jan. 30, p. 64.
British test transmission of TV over optical link, Jan. 30, p. 62.
Canada Wire forms new fiber optics company, Jan. 2, p. 11.
Corning drops price of optical waveguides, April 24, p. 24.
Corning to supply optical waveguides to Canadian firm, Mar. 20, p. 18.
Digital systems, fiber optics to revolutionize telephony, Jan. 9, p. 76.
Fiber optics exposition issues call for papers, Feb. 6, p. 15.
Fiber optic exposition to be held in San Jose, June 12, p. 20.
Fiber optics meeting in Boston 1st of its kind, June 19, p. 13.
GTE to supply fiber optics system for national defense, April 24, p. 125.
Gnostic Concepts offers fiber optics forecasting service, May 15, p. 24.
Harris to provide fiber optics system for Canadian telco, May 15, p. 26.
ITT British unit produces single-mode optical fiber, April 17, p. 18.
In Chicago 24 hair-thin lightguides, arranged in two ribbons enclosed in a specially designed cable, carry Bell Systems customers' voices, video and data traffic as part of a test of the world's first light wave communications system, (photo), June 12, p. 9.
Montreal site of Canada's first fiber optics systems, Jan. 16, p. 20.
NEC to supply optical system for Disney World, May 15, p. 24.
New study forecasts optical market to reach $600 million

by 1987, Jan. 9, p. 92.
Probe Research issues two-part fiber optic communications study, June 19, p. 20.
Thomson-CSF develops new multifiber cable, Mar. 13, p. 55.
Three companies developing fiber optics CATV system, June 26, p. 20.

PLANT

An added margin of safety in the underground world, by Steve Bartlett, April 10, p. 70.
Are cold-wipe closures the hottest thing since lead, by George Waite, June 19, p. 46.
Buried plant - with a little coaxing - sounds a horn, June 19, p. 56.
The cable vault goes modern, by Fred W. Kruczek and Carl R. Cascio, April 10, p. 40.
Centralized key system lets telco try out 'space engineering' April 10, p. 54.
Charlotte Showcase
Digital technology - it still draws 'em, by Rebecca Carlton, April 3, p. 44.
Checking out the new DMS-10 (digital multiplex system) equipment are Lou Mertes (1), area manager for Commonwealth Telephone Co., Dallas, Pa., and Clayton Ives Jr., Wellsboro switchman, (photo), May 29, p. 12.

WUI subsidiary introduces electronic mail service, Jan. 2, p. 16.
...With the help of digital technology office consolidations look good, by Donald C. Smathers, May 29, p. 38.

PROTECTION

Buried plant - with a little coaxing - sounds a horn, by Thomas G. Humphreys, Jr., June 19, p. 56.
Foam--latest form of fire protection, Mar. 6, p. 32.

RATES AND REGULATIONS (See also Courts, Commissions - State)

Rates predicted to increase 18.6% for small Independents, April 3, p. 13.

REA

Nebraska's first digital switch cut into service, April 24, p. 19.
Northern Telecom digital system accepted by REA, June 26, p. 29.
REA loans reach $2.2 billion in '77, Mar. 6, p. 11.
Rural Telephone Bank loans hit $1 billion, Mar. 20, p. 20.

SAFETY

'I was an accident - that didn't wait long to happen!', by G. Patrick Abbott, April 24, p. 89.
Product safety standards in Europe - 16 interpretations, by Robert D. Wersen, May 15, p. 157.
The safety consious telephone industry, by Czatdana Inan, April 24, p. 78.

SALES AND CONSOLIDATIONS

TELCOS

Continental Telephone acquires Indiana telco, June 26, p. 29.
Continental Tel sells Louisiana subsidiary, April 3, p. 15.
Continental to acquire Central West Utilities, June 5, p. 13.
Continental to buy GTE units including Upstate N.Y. Company, Jan 9, p. 17.
Mid-Continent purchases Clearfield & Cambria Tel, Jan. 9, p. 17.
Mid-Continent Telephone to acquire Sandhill Tel, April 3, p. 20.
New Jersey telco to merge with United Telephone, Jan. 30, p. 13.
Norfolk Carolina Tel joins United System, May 22, p. 13.
Winter Park Tel agrees to sell interconnect unit to midwest company, Jan. 30, p. 13.

OTHER

Avantek and Emerson discuss merger terms, Feb. 13, p. 12.
Biddle acquired by British company, May 15, p. 88.
Cable and Wireless acquires new subsidiary, Jan. 2, p. 12.
Danray merges into Northern Telecom Inc., Jan. 30, p. 28.
General Cable sells power cable operations, Feb. 20, p. 16.
General Dynamics to acquire American Telecommunications, April 17, p. 11.
Gould, Biomation Corp. complete merger agreement, Mar. 13, p. 55.
ITT completes purchase of four divisions of North Electric Co., Jan. 23, p. 11.
Mitel buys Fla. facility, June 26, p. 24.
Network Analysis Corp. acquires design firm, June 5, p. 104.
Northern Telecom Ltd. completes Sycor acquisition, June 12, p. 10.
Northern Telcom Ltd. to acquire Sycor, Inc. Jan. 16, p. 17.
No. Telecom Ltd., Sycor sign final merger agreement, Feb. 13, p. 12.
Penril, Wells-Benrus finalize sale agreement, Jan. 2, p. 16.
Plantronics buys maker of electronic test equipment, April 3, p. 15.
Racal Electronics to acquire Vadic, April 24, p. 21.
Star CSD acquired by Communications Group, Jan. 2, p. 12.
United Telecom to add Calma to United Computing Systems, April 17, p. 42.
Valtec acquisition of Comm/Scope approved, Jan. 23, p. 11.

SATELLITE COMMUNICATIONS

Business Communications--in orbit by '80, in service, '81, Feb. 27, p. 60.
Centimeter waves--the wave of the future, Mar. 20, p. 28.
Communications for the frozen north, by Pat Petraske, May 8, p. 22.
COMSAT develops echo canceller, April 17, p. 40.
COMSAT: fifteen years of serving the world's communications needs, Feb. 13, p. 26.
COMSAT General wins ARABSAT consulting services contract, March 27, p. 26.
Defense Department FltSatCom satellite now operational, May 15, p. 24.
Digital systems, fiber optics to revolutionize telephony, Jan. 9, p. 76.
FCC resolves differences over COMSAT'S int'l rate structure, Feb. 27, p. 11.
GTE satellite earth station links U.S. and Upper Volta, Jan. 30, p. 60.
GTE unit to expand two Nigerian earth stations, Jan. 2, p. 12.
INTELSAT awards research contracts, June 5, p. 104.
INTELSAT launches final LV-A satellite, May 15, p. 83.
Italy launches its first test satellite, Jan. 30, p. 60.
Japan launches experimental TV broadcast satellite, May 15, p. 92.
A panel discussion by satellite, May 15, p. 68.
RCA Alascom sets up Satellite service for offshore vessels, Jan. 16, p. 25.
RCA Alascom submits proposal for TV system, May 29, p. 85.
RCA American earth station new link in Seasat program, Jan. 16, p. 26.
RCA American buys Atlanta earth station, March 27, p. 26.
RCA American to provide satellite links for NASA, April 3, p. 19.
RCA earth station officially dedicated at NASA space center, Jan. 16, p. 20.
Satellite communications - a down-to-earth glimpse of the 1980's and beyond, by Del Myers, May 22, p. 25.
Satellite industry reviews challenges of competition, by Del Myers, May 8, p. 9.
Seminar covers satellite earth station installation, May 15, p. 28.
Study covers advantages of INTELSAT transponders, June 19, p. 23.

SPECIALIZED COMMON CARRIERS

AT&T files with Chief Justice in continuing Execunet battle, May 22, p. 13.
Appeals court slaps down FCC and AT&T on Execunet links, April 24, p. 11.
FCC has 'lost control' of Execunet case, by Leo Anderson, May 1, p. 14.
RCA Globcom to open U.S.-Britain data link, April 24, p. 125.
RCA implements Bell electronic switching system, June 12, p. 20.
SPC's Grant seeks cooperation of small telcos, Feb. 6, p. 15.
Study examines future equipment market for specialized carriers, May 1, p. 14.
Telenet organizes federal gov't operations division, May 29, p. 20.

TAXES

Congress considers new tax reforms proposed by USITA, by Victor Block, March 27, p. 13.

TELEPHONE INDUSTRY

House hearings end, plans outlined for rewriting bill, by Victor Block, Aug. 28, p. 11.
House hearings focus on common carrier issues, by Victor Block, Aug. 7, p. 11.
House panel staff to mull industry's rewrite proposals, by Victor Block, Dec. 25, p. 17.
Proposed new way to pay for rural telephone service, Nov. 20, p. 76.
Proprietary status of software in limbo after high court order, July 3, p. 9.
Regional hearings on Communications Act rewrite draw local witnesses to testify, by Rebecca Carlton, Sept. 4, p. 15.
Review of competition in local service asked by NY PSC's Zielinski, by Larry Lannon, Dec. 4, p. 23.
Washburn: rewrite bill won't achieve authors' objectives, by Victor Block, Sept. 18, p. 11.
Why rural telephone systems need special treatment, Nov. 20, p. 66.

LETTERS

July 17, p. 10; Aug. 28, p. 10; Oct. 16, p. 10; Oct. 30, p. 10; Nov. 20, p. 13.

MANAGEMENT

Creativity—recognizing it for what it is and what it can do for you—the telco manager, by Ted Pollock, Aug. 7, p. 115.
Developing a policy manual, by Rose. E. Heller, part 1 in a series, Nov. 20, p. 56.
Former AT&T assistant VP forms management consulting service, July 31, p. 32.
Golden Gate University offers telecom management courses, Aug. 28, p. 20.
Got a minute? Learn to make it count, by B.G. Simpson, Oct. 9, p. 106.
Mind your manners and manage better, by Ted Pollock, Sept. 11, p. 114.
Participants in the twenty-first USITA Management Program held at the University of Kansas campus in Lawrence, (photo), Sept. 11, p. 150.
Telco managers: Here's how to do it easier and more economically, by Ted Pollock, Nov. 20, p. 101.
Want top employes? Be a top manager, by Ted Pollock, Oct. 9, p. 111.

MANUFACTURERS

Artist's conception of the new INSAT-1 multipurpose domestic satellite, (photo), Aug. 28, p. 15.
Australia awards defense contract to Racal-Milgo, Oct. 9, p. 21.
Loren Berry's birthday party, by Leo Anderson, Aug. 7, p. 103.
Buckeye opens Las Vegas warehouse/shipping facility, Dec. 25, p. 70.
British company to offer voice response systems in United Kingdom, Europe, Sept. 25, p. 100.
CIT-Alcatel develops telegraph multiplexer, Dec. 18, p. 47.
CIT-Alcatel installs Iraq telecom link, Sept. 25, p. 100.
Canstar relocates to new larger quarters, Oct. 2, p. 18.
Comtech Labs awarded troposcatter contract, Oct. 23, p. 12.
Contel Labs plan move to Atlanta, July 3, p. 39.
Continental accepts Warren alarm system, Oct. 9, p. 21.
Contract signing for the $800,000 agreement between Cross Telephone, Warner, Okla., and TRW Vidar of Mountain View, Cal., for two digital switching systems, (photo), Oct. 2, p. 25.
Corning drops prices for optical waveguides, Sept. 25, p. 11.
Corning wins bid to provide waveguides for Canadian optical link, Aug. 21, p. 71.
Custom-designed 26-ft. van will bring the products of Raychem Corp.'s Telecommunications Division, Menlo Park, Cal., right to the engineer's doorstep, (photo), July 31, p. 32.
Daburn moves its operations from the Bronx to New Jersey, Dec. 11, p. 12.
Danes order second ITT digital switch, Oct. 2, p. 57.
Danray orders Cognitronics' new voice response units, Dec. 18, p. 10.
Digital switching according to ITT North, by Robert E. Pickett, Sept. 25, p. 42.
Digital switching according to Northern Telecom, by H.M. Bender, Sept. 25, p. 48.
Digital switching according to Stromberg-Carlson, by David Hinshaw, Thomas McKinney, and Richard Scott, Sept. 25, p. 54.
Digital switching according to TRW Vidar, by John Bull and John A. Schick, Sept. 25, p. 60.
Dynamic Sciences acquires Fairchild digital meter line, July 24, p. 18.
Ericsson is excluded from Brazilian job bid, Sept. 25, p. 96.
Ericsson receives orders to supply new automatic car telephone systems, Nov. 6, p. 22.
E-Systems receives contract to provide Kenya satellite system, Aug. 28, p. 16.
Expect early move out of tests into operational fiber optics, Sept. 11, p. 72.
Farinon to install microwave radio system in Nova Scotia, Sept. 18, p. 14.
Final checkout of the D1200 PBX manufactured by Digital Telephone Systems, Inc. Novato Cal., is performed by Ron Dougherty, (photo) Aug. 14, p. 59.
First Class 4/5 switch cut over by Vidar, Continental, Sept. 11, p. 144.
First Northern Telecom DMS-10 digital central office telephone exchange operating in Canada was cut over by Bell Canada, (photo), Nov. 13, p. 21.
Fujitsu wins bid to install switching system in Ireland, Sept. 25, p. 92.
Fujitsu wins $4 million bid to supply India PCM gear, Oct. 2, p. 18.
GTE Automatic Electric labs to expand to Phoenix, August 7, p. 11.
GTE Automatic Electric names new sales rep, Nov. 6, p. 22.
GTE expands int'l marketing of its largest digital PABX, Sept. 25, p. 89.
GTE Lenkurt buys manufacturing plant, Sept. 25, p. 11.
GTE plans to build manufacturing plant in Salt Lake City, Dec. 18, p. 47.
GTE, Telenet Corp. reach agreement on proposed merger, Dec. 18, p. 9.
GTE to supply Danish telcos with PABXs, Oct. 23, p. 45.
GTE unit to supply gear for Irish microwave network, Sept. 25, p. 96.
GTE unit wins contract for Dominican Republic airport, July 24, p. 17.
GTEDS reorganizes its Systems Development Center; three directors are named, Sept. 18, p. 14.
Giant Lift Equipment Mfg. moves to a larger location, Dec. 4, p. 16.
Don Green (1), president of Digital Telephone Systems, Inc., and William D. Schindel, president of Applied Computing Devices, Inc., go over their agreement in which the two firms will combine resources, (photo), Aug. 28, p. 12.
Halcyon buys Western Union line of network processors, Nov. 13, p. 16.
Halcyon's president named to head Torotel, Nov. 20, p. 15.
Douglas Hamilton, founder of Utility Products, retires, Dec. 4, p. 24.
Handshake between Frances V. Barnes (c), president of Chickamauga (Ga.) Telephone Co., and Arnold Morgan (r), Altec Industries, Inc., Birmingham, Ala., seals the telco's purchase of an Altechydraulic derrick truck, (photo), Dec. 25, p. 88.
ICUEE—a new name for the Elburn show, Oct. 16, p. 13.
ITT company to install Italian submarine cable, Sept. 25, p. 92.
ITT cuts U.S. sales prices of optical fibers, Nov. 27, p. 10.
ITT elects Araskog chief operating officer, Sept. 18, p. 14.
ITT North division to sponsor telephone power conference, July 17, p. 20.
ITT North Electric to consolidate division activities, July 10, p. 11.
ITT North installs 1st digital switch, Oct. 16, p. 13.
ITT, Qume Corp. agree to merge, Oct. 9, p. 20.
ITT unit to manufacture Britain-Scandinavia undersea cable link, Oct. 9, p. 146.
LSI codecs accelerate digital implementation, by Donald K. Melvin, Sept. 25, p. 68.
Leasametric moves HQ, Oct. 30, p. 13.
Leasametric moves San Diego office, July 17, p. 21.
Leasametric opens new rental inventory center, Dec. 18, p. 10.
Libya, Zambia award contracts to Ericsson totaling $21 million, July 17, p. 20.
Long resigns post at Fish Telephone Systems, July 24, P. 18.
Mark Telephone Products schedules new seminars, July 10, p. 28.
Mobile Radio division of NEC America moves, Sept. 4, p. 22.
Mohawk Data Sciences to acquire Trivex, Inc., Dec. 25, p. 33.
NEC America cuts over first U.S. electronic CO, Dec. 4, p. 15.
NEC America dedicates its first U.S. plant, Nov. 6, p. 11.
NEC America installs first digital PBX, Nov. 20, p. 15.
NEC America picks Miller as senior VP, July 17, p. 13.
NEC to produce new echo canceller for INTELSAT, Oct. 2, p. 57.
NTI realigns business communications group, Oct. 2, p. 9.
North Supply to distribute Digital Telephone's PBXs, July 31, p. 32.
Northern Telecom bids for Data 100, July 17, p. 21.
Northern Telecom completes telecommunications study for Chase Manhattan Bank, Oct. 23, p. 12.
No. Telecom Inc. makes division name change, Sept. 18, p. 14.
Norway awards contract for telex exchange to Ericsson, Oct. 2, p. 18.
Old world motif of Valdese, N.C. is reflected in four rustically sheltered paystations installed by Central Telephone's North Carolina division, (photo), Nov. 20, p. 124.
Part of CEECO merges with Ren Plastics, Dec. 11, p. 12.
Phillipine Long Distance orders GTE Lenkurt gear, Sept. 11, p. 150.
Plantronics acquires Turpin's Telex business, Dec. 18, p. 9.
Porta Systems to provide equipment to Taiwan telco, Sept. 25, p. 96.
President of Champaign Telephone Co., Urbana, Ohio, Jack W. Read, signs a $2 million order for a Northern Telecom DMS-100/200 digital switching system, (photo), Nov. 27, p. 10.
Proper use of telephone answering gear can save time and money, Oct. 9, p. 124.
Putting some color into the Yellow Pages, Aug. 21, p. 58.
RCA Globecom, Cuba reach communications agreement, Aug. 14, p. 12.
RCPC delivers first of new PABX systems, Dec. 4, p. 56.
Reliable wins Taiwan contracts, July 24, p. 11.
Reliance discusses buying Milwaukee manufacturer, Nov. 6, p. 22.
Ribbon cutting honors are performed by Lt. General Arnold W. Braswell of the 9th Air Force for a new digital switch serving his Command Post at Shaw Air Force Base in South Carolina, (photo), Sept. 4, p. 16.
Robb named president of Reliable Electric, Sept. 4, p. 15.
Rockwell reorganizes microelectronics unit, Oct. 23, p. 12.
Round 1 in int'l ESS sales: Ericsson is the winner, but others are closing in, by R.J. Raggett, Sept. 25, p. 126.
Sen. Barry Goldwater (c) places the first official call through Citizens Utilities Co.'s new Kingman, Ariz., toll switch, (photo), July 17, p. 13.
Singapore, Malaysia order Philips exchanges, Oct. 2, p. 57.
Spain orders Europe's first System 12 exchange, Oct. 16, p. 24.
Stromberg-Carlson sells Rochester plant, July 10, p. 11.
TRW Vidar to supply first digital switch for Yukon Territory, Sept. 25, p. 26.
Tektronix, SDRC make licensing, marketing pact, Nov. 6, p. 22.
Telecom Systems Group opens London office, Oct. 2, p. 58.
Telenet plans relocation of corporation headquarters, Aug. 14, p. 58.
Tele-tech to offer new tariff service to the tele-com industry, July 3, p. 10.

WTCI wins gov't contract for fiber optics system, July 3, p. 38.
Winfield Shiras named president of Wescom, Dec. 4, p. 15.

MARKETING

The allocation function, part four in a series, by Dr. Edward W. Smykay, Dr. Thomas W. Speh, and Dr. Karl A. Boedecker, Oct. 30, p. 96.
The anatomy of the marketing process, part 1 in a series, by Dr. Edward W. Smykay, Dr. Thomas W. Speh and Dr. Karl A. Boedecker, Aug. 21, p. 52.
BSC: General Tel's new idea in the business gear market, by Larry Lannon, Aug. 21, p. 44.
Beating the competition..., by Henry Marcheschi, Nov. 6, p. 42.
The distribution of telephone marketing, part 3 in a series, by Dr. Edward W. Smykay, Dr. Thomas W. Speh, and Dr. Karl A. Boedecker, Oct. 16, p. 36.
How to choose the right ad agency for your telco, by Howard Bersted, Oct. 30, p. 104.
How to win at the competition game: turn customers' problems in to telco opportunities, by William M. Newport, Nov. 6, p. 48.
How's the telephone doing on the retail scene, by Del Myers, July 10, p. 68.
If you want to sell telephones, you can't ignore the frills, by Howard Bersted, Nov. 27, p. 34.
Information Gatekeepers introduces newsletters, Sept. 25, p. 92.
Iowa Independents 'RIP' into their new role as marketers, by Howard Bersted, Nov. 20, p. 100.
Marketing intelligence: its crucial role, part 2 in a series, by Dr. Edward W. Smykay, Dr. Thomas W. Speh, and Dr. Karl A. Boedecker, Oct. 9, p. 76.
Marketing...Texas style, by Karen Calmeyer, Dec. 11, p. 42.
Meet the Betty Crocker of the Bell System, by Karen Calmeyer, Aug. 21, p. 50.
A Phonecentre success plan, by Francois Gamonnet, Dec. 11, p. 23.
Phone-Power—an update, by Howard Bersted, Aug. 28, p. 40.
The satisfaction function of the marketing process, part 5 in a series, by Dr. Edward W. Smykay, Dr. Thomas W. Speh and Dr. Karl A. Boedecker, Nov. 20, p. 94.
Selling used phone equipment outside the U.S., by Leo Anderson, Sept. 25, p. 90.
Solving the marketing mystery, by C.W. Walker, Oct. 9, p. 70.
Telecommunications tidbits, by Howard Bersted, July 31, p. 28.
Telephone companies need 'hang loose' marketing plan, by Howard Bersted, Oct. 2, p. 42.
Telephone retailing—from ground zero, by J. Howard Lovelace, Aug. 21, p. 36.
Traffic engineering's role in telco marketing, by Jacqueline B. Shrago and Dr. James E. Jewett, Sept. 4, p. 35.
USITA sponsors first marketing seminar to be held in September, Aug. 28, p. 11.
USITA's marketing push begins, by Lary Lannon, Oct. 9, p. 64.
Why the local telco is doomed in the residential market, by Michael N. Marcus, Nov. 6, p. 50.

MEETINGS

July 3, p. 8; July 10, p. 8; July 17, p. 8; July 24, p. 8; July 31, p. 6; Aug. 7, p. 8; Aug. 14, p. 6; Aug. 21, p. 8; Aug. 28, p. 8; Sept. 4, p. 8; Sept. 11, p. 8; Sept. 18, p. 8; Sept. 25, p. 8; Oct. 2, p. 6; Oct. 9, p. 8; Oct. 16, p. 8; Oct. 23, p. 8; Oct. 30, p. 8; Nov. 6, p. 8; Nov. 13, p. 8; Nov. 20, p. 8; Nov. 27, p. 8; Dec. 4, p. 8; Dec. 11, p. 8; Dec. 18, p. 8; Dec. 25, p. 8.

INTERNATIONAL

July 10, p. 78; Sept. 25, p. 106; Dec. 4, p. 58.

MERITS AND MILESTONES

July 17, p. 66; Aug. 7, p. 170; Aug. 28, p. 66; Sept. 18, p. 66; Oct. 16, p. 82; Nov. 6, p. 90; Dec. 4, p. 184; Dec. 25, p. 88.

MICROWAVE

California Microwave receives $3.5 million earth station contract, Oct. 30, p. 13.
First stage of longest digital radio system put into service in Canada, Nov. 20, p. 15.

MOVING AROUND INDUSTRY

July 3, p. 40; July 10, p. 163; July 17, p. 48; July 24, p. 64; July 31, p. 33; Aug. 7, p. 146; Aug. 14, p. 54; Aug. 21, p. 68; Aug. 28, p. 49; Sept. 4, p. 54; Sept. 11, p. 154; Sept. 18, p. 49; Sept. 25, p. 166; Oct. 2, p. 59; Oct. 9, p. 150; Oct. 16, p. 64; Oct. 23, p. 21; Oct. 30, p. 128, Nov. 6, p. 70; Nov. 13, p. 63; Nov. 27, p. 22; Dec. 4, p. 160; Dec. 11, p. 57; Dec. 18, p. 49; Dec. 25, p. 72.

NEW BOOKS

July 24, p. 66; Sept. 25, p. 30; Oct. 2, p. 54; Nov. 27, p. 19.

NEW REPRESENTATIVES

July 17, p. 22; July 31, p. 34; Sept. 25, p. 12; Oct. 9, p. 148; Nov. 27, p. 10; Dec. 18, p. 48.

OBITUARIES

Brown, Wescom West District manager, dies at age 52, Oct. 9, p. 21.
Brubaker, former Rochester Tel superintendent, dies, July 24, p. 18.
Felton (Minn.) Telephone owner dies at age 63, July 3, p. 39.
GTDC's first president, Frank Davies, dies, July 3, p. 39.
J.K. Galloway, noted industry leader, dies, Oct. 30, p. 34.
Lincoln (Neb.) Tel employe, W.M. Sherman, dead at 52, Oct. 2, p. 18.
McConiga, network planning director of Gen Tel, dies, Aug. 14, p. 59.
Ogden Tel's president, Don Davison, dead at 74, Dec. 4, p. 16.
Roy Peterson, 65, dies; headed New Jersey telco, Sept. 18, p. 19.
Randolph, former WE vice president, dies, Sept. 11, p. 144.
Reliable Electric western district manager dies, Oct. 9, p. 21.
C. Paul Stocker, founder of Lorain Products, dies, Sept. 18, p. 19.
C.J. Wimer, president of Great SW Tel, dies, Sept. 18, p. 19.

OPTICAL COMMUNICATIONS

AGT issues tender for experimental fiber optics system, Dec. 18, p. 10.
Aerial, buried and duct fiber optic cable go into the field, by William E. Forbrich, Dec. 25, p. 35.
Atlanta is site of 1st Bell system fiber optics system, Nov. 20, p. 26.
Bell Canada puts fiber optics in the field, by Frank M. Banks and Stuart MacLaurin, Dec. 18, p. 23.
Bell Labs reports on Chicago lightwave communications test, by R.G. Barclay and D.D. Sell, Sept. 11, p. 76.
Canadians plan to test, evaluate fiber optic system, July 24, p. 17.
Centel experiments with fiber optics, by Neil E. Goodell, July 24, p. 30.
Corning wins bid to provide waveguides for Canadian optical link, Aug. 21, p. 71.
Expect early move out of tests into operational fiber optics, Sept. 11, p. 72.
FO technology comes to the trunk plant, by J. Richard Jones and David F. Hemmings, July 24, p. 40.
FOC '78 first of its kind in U.S., July 31, p. 32.
Fiber optic communication—past, present and future, by Paul Polishuk, July 24, p. 32.
Fiber-optic communication systems: a look at what goes into them, last in a two-part series, by Paul Polishuk, Sept. 11, p. 60.
Fiber optics' brightest hour, by Del Myers, Oct. 2, p. 32.
Fiber optics evolving faster than expected, Nov. 20, p. 122.
Fiber optics in the loop plant, by J.G. Nault and K.Y. Chang, July 24, p. 52.

Speedier electrons make the difference, Oct. 30, p. 94.
Testing VF facilities for data, by Frank Bradley, Oct. 23, p. 31.
Triport keeps things running, by Roman Ostapiak and Robert Rando, Oct. 23, p. 23.
Vista Florida Tel brings state-of-the-art service to Florida resort facility, by Del Myers, Aug. 7, p. 88.

PROTECTION

Triport keeps things running, by Roman Ostapiak and Robert Rando, Oct. 23, p. 23.

RADIO—TELEPHONE, MOBILE

Frost & Sullivan releases mobile radio market study, Oct. 23, p. 12.

RATES AND REGULATIONS [See also Courts, Commissions-State]

Conference to examine utility regulation, Oct. 2, p. 18.

REA

Robert A. Feragen (l), deputy administrator of the REA, signs a $60.5 million loan to the Puerto Rico Communications Authority (PRCA), (photo), Oct. 16, p. 16.
Five new members joined the Rural Telephone Bank Board bringing it to its full 13-member strength, (photo), July 3, p. 39.
Largest rural telephone bank loan to date made by the U.S. Department of Agriculture's Rural Telephone Bank is signed by Deputy Governor Robert W. Feragen, (photo), Oct. 23, p. 12.
Newly elected Rural Telephone Bank Board members pose with Acting Bank Governor Bob Feragen, (photo), Oct. 23, p. 16.
REA issues first loan for broadband services, Aug. 21, p. 13.
The Rural Electrification Administration and Commonwealth Telephone Co., Dallas Pa., have reached a cooperative agreement for the design and construction of an optical fiber system, (photo), July 10, p. 11.

SAFETY

Battery monitor stops thermal runaway cold, by Jim Plunkett, Oct. 16, p. 45.
Emergency lighting setup meets telco need for safety, economy, Sept. 11, p. 110.
Fast action saves damaged Gen Tel microwave tower, Dec. 25, p. 33.
Pacific Tel's vehicle fleet aims for safety, efficiency, economy, Oct. 2, p. 58.
Safety—an important part of building maintenance, part fifteen in a series, by Don Aslett, Oct. 30, p. 100.
Safety begins on the ground—and continues up on the tower, Aug. 7, p. 34.
Security and maintenance go hand in hand in telcos, by Don A. Aslett, part 16 in a series, Nov. 20, p. 92.
Tips on chain saw safety, by Ray Blain, Dec. 25, p. 47.

SALES AND CONSOLIDATIONS

TELCOS

CTU broadens its market with aquisition of Illinois firms, Aug. 14, p. 11.
Cascade Utilities agrees to buy small Oregon telco, Sept. 18, p. 11.
Centel completes purchase of Acoustics Development, Oct. 9, p. 20.
Century Telephone acquires Tennessee Independent telco, Nov. 20, p. 26.
Continental buys Gen Tel of Upstate NY, Dec. 18, p. 9.
Continental Tel sells Montana properties, Nov. 6, p. 22.
Continental to add West Florida Tel, Dec. 11, p. 12.
Continental to sell Oklahoma Company, Sept. 25, p. 11.
Northern Telecom to buy datacomm manufacturer, Nov. 6, p. 11.
Telephone Utilities of Pa. to merge into Mid-Continent, Nov. 6, p. 11.
United Telecom buys Calma for $17 million, July 17, p. 20.

OTHER

GTE Lenkurt buys manufacturing plant, Sept. 25, p. 11.
GTE, Telenet Corp. reach agreement on proposed merger, Dec. 18, p. 9.
ICM forms new companies for int'l marketing studies and corporate management, Oct. 16, p. 27.
ITT North Electric to consolidate division activities, July 10, p. 11.
ITT, Qume Corp. agree to merge, Oct. 9, p. 20.
ITT, Qume Corp. sign definitive agreement, Nov. 20, p. 122.
Mohawk Data Sciences to acquire Trivex, Inc., Dec. 25, p. 33.
Northern Telecom completes acquisition of DATA IUU, Dec. 11, p. 17.
Pacific Power & Light to buy RCA Alascom for $200 million, Dec. 11, p. 11
Plantronics acquires Turpin's Telex business, Dec. 18, p. 9.
Reliance discusses buying Milwaukee manufacturer, Nov. 6, p. 22.
Rolm Corp. to acquire Boston interconnect firm, July 24, p. 18.
Stelco purchases Generac product line, Dec. 4, p. 24.
Stromberg-Carlson sells Rochester plant, July 10, p. 11.

SATELLITE COMMUNICATIONS

Appeals court delivers blow to SBS domestic satellite plans, Sept. 11, p. 11.
Artist's conception of the new INSAT-1 multipurpose domestic satellite, (photo), Aug. 28, p. 15.
British Post Office's new 19-meter (60-foot) diameter dish aerial at the satellite communications earth station in Goonhilly, Cornwall, is near completion, (photo), July 10, p. 88.
CIT-Alcatel develops telegraph multiplexer, Dec. 18, p. 47.
COMSAT agrees to provide EBU with satellite service for 1980 Winter Olympics, Sept. 11, p. 151.
Digital dilemma—in the heavens as it is on earth, by Del Myers, Dec. 4, p. 36.
ESI report examines future development of satellite communications, Sept. 11, p. 150.
E-Systems earth stations expand South American satellite communications, July 3, p. 38.
E-Systems receives contract to provide Kenya satellite system, Aug. 28, p. 16.
INTELSAT commissions ionosphere effects study, Aug. 28, p. 11.
Industry analyst outlines criteria for financing satellite, telecom projects, Dec. 25, p. 69.
Integrating digital satellites with domestic communications, by J.L. Burns and D.E. Forrester, Dec. 4, p. 40.
NATO IIIC Communications satellite is third in a series of satellites built by Ford Aerospace & Communications Corp., for use by the NATO military alliance, (photo), Dec. 4, p. 51.
New communications satellite operating over Indian Ocean, Dec. 11, p. 17.
A structural thermal model of the INTELSAT V communications satellite—complete minus solar panels—is mounted on a test fixture for an environmental test at Ford Aerospace & Communications Corp.'s Western Development Laboratories (WDL) division, Palo Alto, Cal., (photo), Nov. 20, p. 129.

SELLING

Donnelley training program teaches how to make sales appointments by telephone, Aug. 14, p. 58.
16 things to do right during a sales call (They work!), by William J. Tobin, Oct. 9, p. 96.

SPECIALIZED COMMON CARRIERS

Holiday Inns uses RCA Americom's satellite to reduce WATS costs, July 3, p. 9.
House hearings focus on common carrier issues, by Victor Block, August 7, p. 11.
ITT Worldcom to supply overseas circuits for INTELPOST service, Dec. 11, p. 17.
UPI offers innovative news service on cable TV, Aug. 21, p. 71.

TELEPHONE ANSWERING SERVICE

Proper use of phone answering gear can save time and money, Oct. 9, p. 124.

TELEPHONE HISTORY

A famous line reaches its end, by Veryl Oakland, Sept. 18, p. 28.
Fiber optic communication—past, present and future, by Paul Polishuk, July 24, p. 32.
Fourth generation switch goes in at Midway Tel, by Dennis P. Connor, Aug. 28, p. 31.
Gary Melhart and John Dennis, employes at Western Electric's oldest plant, the Hawthorne Works in Chicago, check out some of the products made by WE in the early 1900's, (photo), Oct. 2, p. 10.
The spirit of service keeps telephone lines buzzing, by Ray Blain, Nov. 20, p. 34.

TELEPHONE INDUSTRY

BNR to develop plan for Alaska toll network, Dec. 25, p. 69.
CWA Convention reflects mood of Proposition 13, by G. Patrick Abbott, July 10, p. 158.
No place to hide: benefit or burden, by Alan B. Kamman, July 10, p. 40.
The status of communications from Henry Geller's viewpoint, by Victor Block, Sept. 11, p. 48.
Telcos must integrate new technologies or be replaced, by Weldon W. Case, Aug. 14, p. 34.
3 Ps of telco business strategy, by Winston E. Himsworth, Jr., Oct. 9, p. 86.
Whatever happened to the communications revolution, by John D. deButts, Nov. 13, p. 31.

TELEPHONE SERVICE

The boom is on again in 'mother lode country', by Jerald B. Gilmore, Aug. 7, p. 40.
The coming of age of viewdata, by R.J. Raggett, Oct. 2, p. 36.
Communications—A recipe for research, Oct. 16, p. 47.
A cure for the common causes of noisy lines, by Cal W. Bullock, Oct. 23, p. 28.
Customer relations with a human touch, by G. Patrick Abbott, Nov. 27, p. 28.
Dirty, bitten and stung: life among pets, animals and pests, by G. Patrick Abbott, Sept. 4, p. 43.
Distributed network speeds orders, by Bob Hockings, Nov. 6, p. 32.
First electronic switchboard without coupling device installed in Illinois, July 10, p. 160.
GTE advanced switching system provides latest long distance service for rural Wisconsin area, Aug. 14, p. 58.
Headset helps service reps serve customers better, Aug. 28, p. 36.
Here's a waterman who also is a telephone man, by Robert W. Kurtz, Sept. 11, p. 108.
Inspect, correct and serve, by William Wagamon, Aug. 7, p. 76.
Las Vegas bank offers Bank-from-Home service with Centel of Nevada, Oct. 16, p. 13.
"Lemme see now...there must be a listing for bookies in here somewhere, maybe under financial consultants," (photo), Nov. 13, p. 80.
Metro Check offers ExecuCall—a personal nationwide toll-free answering service, Dec. 11, p. 11.
PUC congratulates itself on keeping Californians' monthly utility bills down, Oct. 2, p. 58.
Service—the means of survival in the 80's, by William F. Light, Oct. 9, p. 98.
The spirit of service keeps telephone lines buzzing, by Ray Blain, Nov. 20, p. 34.
Two-way TV system allows consumers to participate in federal agency hearing, Nov. 13, p. 23.
Will the Floatingfone float, by Mike Burgess, Aug. 28, p. 38.

TELEPHONE STOCKS

July 17, p. 22; Sept. 18, p. 12; Oct. 16, p. 23; Nov. 13, p. 18; Dec. 18, p. 12.

Xerox proposes nationwide broadband digital network, Nov. 27, p. 9.

In The Nation's Capital

July 3, Communications Act rewrite seen as a 'single package'...Telcos seek extension of hearing schedule ...Third Comstar satellite prompts FCC controversy ...Washington Round-up...("Made in" denial; Transborder data flow), p. 10.
July 10, NTIA recommends telegraph competition, deregulation...FCC expands look at AT&T's MPL rates...Proposition 13 outlook: time to tighten the belt...Washington Round-Up...(TAT talk; DDS expansion; Amsat Study set; Here comes the judge; Saving gas; Own your own), p. 12.
July 17, FCC sets rulemaking to update uniform system of accounts...Proposal outlines future planning of transatlantic communications facilities...FCC to look into paying expenses for public participation... Washington Round-Up...(Transatlantic facilities; WU revisions; Hearing extension; Taxing fringes; Spectrum report), p. 14.
July 24, FCC members support effort to modify '56 consent decree...AT&T attorney says Justice Dept. antitrust suit is 'negated by government regulation ...Washington Round-Up...(Capital formation; Pricing report; Land mobile frequencies; Working harder; Competitive impact), p. 14.
July 31, Int'l satellite needs expected to double in next five years...FCC judge backs revisions of AT&T private line tariff...Van Deerlin repeats call for divestiture of Western Electric, p. 8.
Aug. 7, Outlook for AT&T's ACS: long fight, uncertain outcome...Washington Round-Up...(NIAC lives; Depreciation changes; High level advice; TAT talk), p. 14.
Aug. 14, Rewrite hearings focus on diversification, divestiture...FCC proposes change in cable cross-ownership rules...Washington Round-Up...(Registration: requirements set...comments sought...meeting started; Expansion appealed; International telegrams; WU tariff revision), p. 12.
Aug. 21, AT&T, USITA ask court to take another look at Execunet...FCC sets look at charges against Southern, SW Bell, p. 14.
Aug. 28, FCC adopts regulations for pole attachment complaints...AT&T blanket application gets FCC conditional grant...FCC denies challenge to Comsat tariff revisions...FCC postpones proceedings on satellite service cases, p. 14.
Sept. 4, FCC to allow interconnection of private land mobile radios...ACCT endorses goals, ask changes in rewrite bill...NPD couplers dropped from grandfathered list...Washington Round-Up...(Overseas rate cut; Independent interconnection), p. 16.
Sept. 11, Communications Act rewrite faces uncertainty in Senate...FCC revises schedule for ACS proceeding...REA expresses concern over competition's effect on rural telco objectives...Washington Round-Up...(Paperwork burden; New face; WARC views; weighing competition; Interconnect denied; Aid for the deaf), p. 12.
Sept. 18, Senate panel member outlines goals for communications bill...Washington Round-Up...(Ex parte contacts; Press rates), p. 12.
Sept. 25, Judge Greene gives boost to AT&T antitrust proceedings...Future of SBS still up in the air.. Washington Round-Up...(Rate war; Technical talks; Pole procedures; Win, loss), p. 12.
Oct. 2, Ferris outlines FCC reforms in its rulemaking activiting...FCC starts talks on interstate access plan...MCI rate revisions rejected, withdrawn... Washington Round-up...(Registration codes; GTE data; Questions raised; FCC funds), p. 10.
Oct. 9, ITT unit given green light to establish data network...Appeals court denies Western Union's request for end of OCC rates on AT&T facilities...FCC stands firm on AT&T tariff revisions...REA, Telephone Bank grant large loans...FCC to formalize reporting of telco traffic statistics...Washington Round-Up...(Tax talk; Rate integration; Deregulation move; Regulation required; Grandfathered equipment), p. 12.
Oct. 16, FCC members challenge future fee program and refund ideas...Equipment imports small but increasing...AT&T takes unyielding posture on Western Electric divestiture...Carter taps Ferris friend, exclassmate for White's FCC seat...National Research Council foresees public benefits of telecommunications in '80s...Washington Round-Up...(Resale shared used; Satellite shopping), p. 14.
Oct. 23, Senate confirms Feragen as REA head succeeding Hamil...Commissioner Brown blasts FCC as inconsistent...FCC sets security exemption from registration program...Washington Round-Up... (WARC wind-up; Satellite shopping; FCC under microscope), p. 16.
Oct. 30, FCC, SBS appeal court order blocking new telecom venture...White charges FCC is pro-regulation...Industry troubles will linger, study predicts... MCI pushes antitrust action against AT&T...Washington Round-Up...(No surprise; Grandfathered equipment), p. 14.
Nov. 6, FCC to reconsider rejection of seventh transatlantic cable...Van Deerlin firm on rewrite approach...Tax bill has some breaks for business...FCC adopts plan permitting UHF mobile frequency use... Congress sets compromise on COMSAT role in Imarsat...Washington Round-Up...(Future employment; Looking ahead; Listening in; Land mobile appeal; Unsolicited calls), p. 12.
Nov. 13, Negotiators reach agreement on ENFIA tariff proposal...FCC's TAT-7 move hit by Europeans... GTE, CBEMA pinpoint view of proposed rewrite... FCC clarifies ruling on billing equipment protection ...Telephone import challenge from developing countries...Washington Round-up...(Satellite shopping; Hawaii AVD rates; More grandfathering), p. 16.
Nov. 20, NTIA seeks data from telcos on competition's economic impact...Inflation fighters push for deregulation...Carter inflation guides draw skeptical reactions...FCC postpones study on MCI tarif revisions...Packet switching most efficient study concludes...Watchdog agency doubts move to metric system...Washington Round-Up...(Rate reductions; Contingent authority; ACS step; Registration meeting; Cost data; TAT-7), p. 16.
Nov. 27, High court denies review, lets Centrex ruling stand...ENFIA tariff advances but faces roadblocks, p. 12.
Dec. 4, FCC defines MTS/WATS as 'like' communication services...FCC outlines AT&T's tariff justification requirements...AT&T, others, implement COMSAT rate flow-through...Pro-business lawmakers push for tax benefits...AT&T responds to questions on ACS...FCC asks recommendations for grandfathered list...Need seen for world information policy ...Court review sought for Hawaii rate integration... Washington Round-Up...(Emergency satellites; RCA gateways; Innovation push needed; Private land mobile; Remember when?; Status quo; Consumer confab), p. 16.
Dec. 11, Appeals court rules AT&T must interconnect with Execunet...AT&T sets move in anti-inflation fight...FCC denies revisions to AT&T's DDS tariff...Bell files tariff for facilities provided at OCCs ...AT&T proposes rate cuts for Alaska-mainland calls...Common Carrier Bureau gets greater forfeiture power...Washington Round-Up...(Earth station OK...; ...and partial ok; Lobbying costs; Economic impact), p. 12.
Dec. 18, FCC extends deadline for mobile radio innovations...FCC tells radio ideas for WARC '79...Washington Round-Up...(Pen registers; Tax drop), p. 10.
Dec. 25, High Court refuses to review California telco tax ruling...Tax changes sought to benefit utilities... Regulatory agencies asked for wage-price compliance...Negotiations lead to ENFIA accord...Washington Round-Up...(Labor split; Oklahoma interconnect; Alaska-Hawaii separations), p. 18.
